

REVVITY SIGNALS SOFTWARE, INC.

CLICK-THROUGH LICENSE AGREEMENT

PLEASE READ THIS AGREEMENT CAREFULLY

This is a license agreement (“Agreement”) between Revvity Signals Software, Inc. (together with its affiliates and subsidiaries, “Licensor”), and you the recipient (“You”, “Your”) of a license to access and use: (i) the software provided to You for installation and use on infrastructure owned or controlled by You and accompanying documentation with which this Agreement is provided (“Software”) and (ii) any software made available by Licensor to You as a cloud service that is provided together with the Software, together with its documentation (the “Software Services”). This Agreement, together with the terms and conditions in the applicable Licensor quote, will prevail over any other terms or conditions regarding Your use of the Software and Software Services except for an agreement signed by Licensor that specifically refers to the Software. Licensor is willing to grant You the following license to use the Software and Software Services on the following terms.

BY CLICKING ON THE “ACCEPT” BUTTON BELOW, YOU, AND YOUR EMPLOYER OR OTHER ENTITY ON WHOSE BEHALF YOU ARE ACCEPTING THIS AGREEMENT (IF APPLICABLE), REPRESENT AND WARRANT THAT YOU HAVE READ THIS AGREEMENT, UNDERSTAND IT, AND AGREE (AND HAVE THE AUTHORITY ON BEHALF OF YOUR EMPLOYER OR OTHER ENTITY TO AGREE) TO BE BOUND BY IT.

IF YOU DO NOT AGREE TO THE TERMS BELOW, OR DO NOT HAVE THE AUTHORITY TO ENTER INTO THIS AGREEMENT, LICENSOR IS UNWILLING TO LICENSE THE SOFTWARE TO YOU. IN THIS CASE, YOU SHOULD CLICK ON THE “DO NOT ACCEPT” BUTTON BELOW TO DISCONTINUE INSTALLATION.

- License.** Subject to the terms of this Agreement, You are granted a non-exclusive, revocable, non-transferable and non-sublicensable license to install one copy of the Software in executable code only, on up to two (2) computers You own or control, and use the Software, so long as only one copy of the Software is in use at any given time. You may also copy the Software for backup purposes, but only if You reproduce all copyright and other proprietary notices that are on the original copy. Your use of the Software Services shall be governed by Licensor’s Cloud Service License Agreement located at <https://support.revvitysignals.com/hc/en-us/sections/4407060712212-Legal-Resources>, and You acknowledge and agree that the Cloud Services License Agreement applies only to the Software Services, and not the Software. If You are provided access to a software development kit (including, but not limited to, ChemDraw® JS) in connection with the Software (the “SDK”), Your use of the SDK is governed by and subject to Your compliance with the terms of the Software Development Kit License Agreement that is provided to You with the applicable SDK, which is hereby incorporated herein by reference and legally binding on the parties.
- Restrictions.** You may not use, copy, modify, transfer or create derivative works of the Software, or any copy, in whole or in part, except as expressly provided in this Agreement. You may not reverse engineer, disassemble, decompile, decode, or translate the Software, or otherwise attempt to derive its source code, in whole or in part, or authorize any third party to do any of the foregoing. You may not remove, modify or obscure any proprietary notices on the Software. You may not (i) rent, lease, loan, resell for profit, transmit, transfer, assign or distribute the Software; (ii) install the Software on more than one computer, except as expressly provided in this Agreement; (iii) use the Software on more than one computer simultaneously; (iv) use in a networked or multiple-user arrangement; (v) use the Software to provide outsourcing, service bureau, online services or training to a third party; or (vi) permit any other person or third party to use Your license to the Software without the prior written approval of Licensor. You may not use the Software for any resale or other commercial purpose and all licenses granted hereunder are for Your own internal use only.
- Security Mechanisms.** Licensor and its affiliated companies take all legal steps to eliminate piracy of its software products. The Software may include a security mechanism which collects and transmits usage data for the purpose of detecting the installation or use of illegal copies of the Software. Data collected will not include any customer data created with the Software. Upon acceptance of this Agreement or by using the Software, You consent to such detection and collection of data, as well as its transmission and use. Licensor also reserves the right to use a hardware lock device, license administration software, and/or a license authorization key to control access to the Software. You may not take any steps to avoid or defeat the purpose of any such measures. You shall keep all license files and authorization keys confidential and shall not provide access or transfer Your license authorization key to any third party. Use of the Software by You without the required lock device or authorization key provided by Licensor is strictly prohibited.

4. **Ownership.** The Software is licensed, not sold, to You subject to the terms of this Agreement. Licensor shall retain all right, title and interest in and to the Software and all improvements, enhancements, modifications and derivative works of the Software, including all rights to patent, copyright, trade secret and trademark. You acknowledge that the Software contains and embeds valuable, unpublished information that is proprietary and confidential to Licensor and its licensors and suppliers. You agree to keep all such information confidential. This does not preclude You from using information You lawfully obtain from another source. You agree that Licensor may use, without accounting or attribution to You, any feedback You (or your employer or other entity for whom you accept this Agreement) may provide to Licensor relating to the Software and any such feedback is non-confidential. You hereby agree to assign to us any and all rights in or to such feedback, including intellectual property rights. Licensor reserves all rights not expressly granted to You.

5. **Use of Accessible Data; Non-Licensor Add-In.** To the extent the Software contains, or provides remote access to, any images, photographs, animations, video, audio, music, text, “applets,” databases and/or data files (the “Accessible Data”), such Accessible Data is owned by Licensor or its licensors and suppliers and protected by United States copyright laws and international treaties. Other trademarks and copyrights are the property of their respective holders. The Accessible Data is solely for Your own internal use. You may not copy, distribute, reproduce or otherwise make publicly available the Accessible Data. Any violation of this provision shall be a breach of this Agreement and may result in a revocation of access to the Accessible Data, termination of this Agreement, and/or civil or criminal penalties. The Software and Software Services may also permit You to access, download, add, or use certain software add-ins, content, features, or technology, whether created or built by You or obtained from a third party or public source, into or within the Software or Software Services (collectively, “Non-Licensor Add-Ins”). You must comply with all terms, conditions, restrictions or other obligations pertaining to Your access to, download, or use of the Non-Licensor Add-In(s). You are solely responsible and liable for, and Licensor hereby expressly disclaims all responsibility and liability for, (i) any security vulnerabilities and the consequences of such vulnerabilities arising from Your accessing, downloading, adding, or using any Non-Licensor Add-In, including, without limitation, in the event Your Internet access or any Non-Licensor Add-In contains any virus, malicious code, Trojan horse, worms, or other programming routines that could limit or harm the functionality of Your computer or network or that could damage, intercept or expropriate data, and (ii) any other issues, problems or damages arising from Your access to, or download, addition or use of, any Non-Licensor Add-In, including, without limitation, any damage to or impairment of the Software. All access to and use of Non-Licensor Add-Ins is at Your sole risk.

6. **Maintenance.** You are entitled to receive maintenance, technical support, updates, activations, codes, and/or access to download the Software (collectively, “Maintenance”) so long as You have purchased maintenance for the Software (either separately or as included in the license subscription), until such product (or Software version) has reached its End-of-Life (“EOL”). Once the Software (or Software version) reaches EOL, Maintenance will no longer be provided, even if the licensing model purchased permits You to continue to license and/or use the Software past the Software’s EOL date (for example, as with a perpetual license). You may receive notifications of decisions affecting the Software’s life cycle by following the Licensor’s Support page.

During the subscription or maintenance term, You shall notify Licensor of any identified program error and shall provide Licensor with information sufficient to locate and duplicate the error; and Licensor shall use reasonable efforts to provide workarounds for, and to correct reproducible programming errors in, the Software with the level of effort commensurate with the severity of such errors. Licensor is not responsible for (a) errors caused by non-Licensor software or hardware or any Software integrations; (b) errors that cannot be reproduced under test conditions; (c) errors caused by unauthorized modifications; (d) errors due to Your failure to follow the Software’s operating procedures; or (e) maintenance on releases older than one major release prior to the then-current version of the Software. For the avoidance of doubt, installation of or migration to new software versions is considered professional services and is not included in maintenance services.

When purchased separately, maintenance is renewed annually, and in the event that You elect not to renew maintenance, and subsequently reinstate maintenance services at a later date, You shall pay to Licensor all maintenance fees that would have been payable from the time You discontinued maintenance services.

7. **Fees And Payment.** Fees are payable in advance according to the license/subscription plan You have selected and the payment schedule set forth on the quote. Invoices shall be paid net thirty (30) days of date of invoice. Payment obligations are non-cancellable and non-refundable, and quantities purchased cannot be decreased during the license or subscription term. You agree that purchase and obligation to pay is not contingent on the delivery of, or any oral or written representations made by Licensor regarding, any future functionality or features or on performance of any other service offerings or delivery of other programs or products by Licensor. You agree to promptly notify Licensor if Your usage of the Software exceeds the contracted volume and will promptly pay all fees associated with such excess usage. Licenses or subscriptions may be added or increased during a license term and any added or increased licenses will terminate on the same date as the underlying licenses or subscriptions. Payment for fees and expenses is subject to a late charge of 1½% per month if unpaid for thirty (30)

days or more from invoice date. Licensor reserves the right to change the pricing for the Software for any renewal subscription term or future purchase. All fees are exclusive of all taxes, levies, or duties imposed by taxing authorities, and Customer shall be responsible for the payment of all such taxes, levies, and duties, excluding taxes based upon the net income of Licensor.

8. Term. This Agreement commences on the first date You (or Your employer or other entity) accept this Agreement and download or access the Software or Software Services, and will continue until the end of the last purchased license term to expire, unless earlier terminated as set forth herein. This Agreement will terminate immediately without notice to You if You materially breach any term or condition of this Agreement. Upon expiration or any termination, the license granted to You shall immediately cease and You agree to discontinue all use of the Software and Software Services, promptly erase all copies of the Software and portions thereof from Your computer storage or any other media, and return or destroy all copies of the Software. Termination is not an exclusive remedy.

9. Limited Warranty. Licensor's sole warranty with respect to the Software is that it shall be free of errors in program logic or documentation, attributable to Licensor, which prevent the performance of the principal computing functions of the Software. Licensor warrants this for a period of thirty (30) days from the date of receipt of the Software.

10. Warranty Disclaimer. TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, LICENSOR DISCLAIMS ALL OTHER WARRANTIES OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT, OR ANY IMPLIED WARRANTIES ARISING FROM COURSE OF DEALING OR COURSE OF PERFORMANCE. Some jurisdictions do not allow the exclusion of implied warranties, so the above disclaimer may not apply to You.

11. Limitation of Liabilities. Licensor's entire liability and Your sole and exclusive remedy for any breach of the limited warranty set forth above shall be, at Licensor's sole discretion, either (A) termination of the license and the return of any license fee paid for the Software for the period of the license term remaining following termination, or (B) correction or replacement of the Software that does not meet the terms of this limited warranty. REGARDLESS OF WHETHER ANY REMEDY SET FORTH HEREIN FAILS OF ITS ESSENTIAL PURPOSE OR OTHERWISE, IN NO EVENT WILL LICENSOR OR ITS LICENSORS OR SUPPLIERS BE LIABLE TO YOU OR ANY THIRD PARTY UNDER ANY LEGAL THEORY OF LIABILITY FOR ANY LOSS OF PROFITS OR REVENUE, LOSS OR INACCURACY OF DATA, INTERRUPTION OF BUSINESS, COST OF SUBSTITUTION, OR ANY OTHER INDIRECT, SPECIAL, CONSEQUENTIAL, EXEMPLARY, INCIDENTAL OR PUNITIVE DAMAGES OF ANY KIND ARISING OUT OF THE USE OR INABILITY TO USE THE SOFTWARE, EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND WHETHER OR NOT SUCH DAMAGES ARE FORESEEABLE. IN NO EVENT WILL LICENSOR BE LIABLE FOR ANY LOSS OF PROFITS OR REVENUE, LOSS OR INACCURACY OF DATA, INTERRUPTION OF BUSINESS, COST OF SUBSTITUTION, OR ANY OTHER DIRECT, INDIRECT, SPECIAL, CONSEQUENTIAL, EXEMPLARY OR INCIDENTAL DAMAGES OF ANY NATURE ARISING OUT OF YOUR ACCESSING, DOWNLOADING, ADDING, OR USING ANY NON-LICENSOR ADD-IN. IN NO EVENT WILL THE LIABILITY OF LICENSOR FOR DIRECT DAMAGES EXCEED THE LICENSE FEE RECEIVED BY LICENSOR FROM YOU FOR THE SOFTWARE IN THE YEAR PRIOR TO THE OCCURRENCE OF THE CAUSE OF ACTION. Some jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, so the above exclusion may not apply to You.

12. U.S. Government End Users. If You represent a branch or instrumentality of the United States Government, the following provision applies: Each of the components that constitute the Software and its related documentation is a "commercial item" as that term is defined at 48 C.F.R. 2.101, consisting of "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. 12.212. Consistent with 48 C.F.R. 12.212 and 48 C.F.R. 227.7202-1 through 227.7202-4, all U.S. Government end users acquire the Software and any documentation provided with the Software with only those rights set forth in this Agreement.

13. Export Law. The Software is subject to U.S. export control laws and may be subject to export or import regulations in other countries. You agree to strictly comply with all such laws and regulations, including but not limited to, the prohibition on use of the Software for: (1) development, production, handling, operation, maintenance, storage, detection, identification or dissemination of chemical, biological or nuclear weapons; and (2) nuclear explosive activities, nuclear activities or nuclear fuel-cycle activities (whether safeguarded or unsafeguarded). You acknowledge that You have the responsibility to obtain any required export, re-export, or import licenses required for Your access to and/or use of the Software. You agree to indemnify and hold Licensor harmless from all claims, losses, liabilities, damages, fines, penalties, costs and expenses relating to Your breach of these obligations.

14. General.

- This Agreement will be governed by the laws of the Commonwealth of Massachusetts, without giving effect to conflict of laws principles that require the application of the laws of any other jurisdiction. The UN Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transactions Act will not apply to this Agreement. You hereby irrevocably submit to the personal jurisdiction and venue of, and agree to service of process issued or authorized by, state and federal courts with jurisdiction over Suffolk County, Massachusetts, and You waive any objection thereto.
- If any provision of this Agreement is adjudged to be invalid or unenforceable by a court of competent jurisdiction, that provision will be removed and a suitable and equitable substitute provision shall be inserted. The remaining provisions will remain in full force and effect. All waivers must be in writing. A party's consent to, or waiver of, enforcement on one occasion will not be deemed a waiver of any other provision or such provision on any other occasion.
- You may not assign or delegate this Agreement, nor any rights or duties hereunder, in whole or in part, without Licensor's prior written approval, which may be withheld in its sole discretion, and any purported attempt to do so is void.
- Only a subsequently dated written amendment referencing this Agreement and executed and delivered by both parties can modify this Agreement.
- This Agreement is the complete, exclusive and final agreement between You and Licensor; it supersedes, replaces and merges all prior and contemporaneous agreements, communications and understandings, including any pre-printed terms and conditions contained in Your purchase order or other ordering document, and You agree any such pre-printed terms and conditions are of no force or effect.

THE SOFTWARE IS PROTECTED BY UNITED STATES COPYRIGHT LAW AND INTERNATIONAL TREATY. UNAUTHORIZED REPRODUCTION OR DISTRIBUTION IS SUBJECT TO CIVIL AND CRIMINAL PENALTIES.
